

THE LONGEST DAY

ALZHEIMER'S ASSOCIATION

I would like to invite you to join us on June 21st, 2025 for a walk, supporting the Alzheimer's Association in raising money to help cure this terrible disease. I'm organizing a small group to walk throughout the summer in honor of The Longest Day, the summer solstice. And it's the day the Alzheimer's Association calls on everyone to fight Alzheimer's disease by raising funds and awareness for care, support and research. If you are unable to join us, please consider donating.

Please join us in walking on Saturday June 21st at 10am

Begins and ends at:
Church parking lot at
8 Webber Pond Rd
Vassalboro, ME

½ way break at the Red Barn (~11/11:30)

I'm walking in honor of my mother, Elna Livollen. 30+ years ago, she was placed in a home back in Norway while she lost her battle with this disease. I'll never forget the last time we really saw her. It was a family barbeque and in the evening after everyone else had gone home, suddenly she was with us. It lasted about an hour, she never recognized her granddaughter again.

Scan the code below and give today. Thank you!

Many thanks - Karl Livollen

Please make donations by October 31, 2025.
